

CITY OF BROCKTON LEAD BASED PAINT HAZARD CONTROL PROGRAM

PROTECT YOUR FAMILY, GET THE
LEAD OUT!

The City of Brockton's goal is to prevent childhood lead poisoning with target lead hazard control efforts in housing units where children are at a greater risk of lead poisoning. Acting through the Brockton Redevelopment Authority, the City will make grants available to eligible program participants for the entire cost of lead hazard abatement, including eligible inspection fees, and a relocation stipend when requirements of the program have been met.

PROGRAM GUIDELINES

- Priorities will be given to homes with a child under six (6) years old residing in the house
- To determine eligibility, income must be at or below 80% of the area median to qualify
- Landlords are encouraged to apply (In the case of a rental property, the tenant's income shall determine eligibility)
- Eligible properties may include owner-occupied, or investor owned single or multi-family buildings
- Property taxes, city fees, utility payments must be current for the property to be assisted
- Applicants may be eligible for a Healthy Homes grant in addition to lead hazard abatement completion
