First Time Homebuyers Program Process

PLEASE READ THE FOLLOWING CAREFULLY

STEP 1: Get Pre-Approved, complete a HUD certified workshop, find a house, and make an offer! This is all to be done before submitting a FTHP Application.

STEP 2: Complete and submit the FTHP Application. Once you have received a pre-approval letter from your lender, submit it along with the following documents to Cindy Pendergast at NeighborWorks via mail, fax, or email (see page 1).

- Completed FTHP Application (see page 5). Signed and dated.**
- Two months consecutive paystubs from everyone 18+ in the home receiving income.**
- Documentation of all other sources of income (award letters for social security, pension, disability, etc.).**
- Two months consecutive bank statements.**
- Loan Application (also known as 1003 from lender).**
- Loan Estimate.**
- Offer to Purchase.**
- Purchase & Sale Agreement (when available)**
- Two years of most recent Federal Income Tax form 1040, complete copy with all schedules and W2's. If you are self-employed or incorporated, please provide financial statements for the past two years and Profit and Loss statement year to date.**
- Three months of most recent rent receipts.**
- First Time Homebuyer's Workshop Certificate for each borrower. If purchasing a 2-family home applicant must also provide a Landlord Training Certificate (visit www.chapa.org and/or www.nhsmass.org if you need to sign up for a landlord training class).**
- Valid Driver's license for each applicant**

STEP 3: Conditional Approval. As soon as your eligibility has been confirmed, Zaias Andrade at the Brockton Redevelopment Authority will issue a conditional letter of approval and contact you with the next steps, including scheduling of the HOME inspection.

STEP 4: HOME Inspection. The HOME Investment Partnerships Program (HUD) requires a HOME inspection of the home to certify that the property meets HUD's quality housing standards. The fee for this inspection (typically \$300) will be deducted from the City's loan amount.

At a minimum, the home must meet all applicable Federal, State, and local housing quality standards and code requirements, and the home must not contain any specific deficiencies as those proscribed by HUD in the Uniform Physical Condition Standards inspection procedures as pursuant to 24 CFR 5.705.

You will be provided with a copy of the inspection report. If the property does not meet HOME condition standards, repairs will need to be completed before the City can issue the loan. After the repairs are made, we will re-inspect the property to certify that the repairs were made.

Properties built prior to 1978 must be visually assessed to identify and stabilize deteriorated paint.

STEP 5: Underwriting. Preliminary commitment letter sent to buyer offering conditional approval contingent on satisfactory FTHP inspection. *NOTE: Borrower must have 1.5% of their own funds going toward transaction. If earnest money does not cover this, include amount they must bring to the closing as a contingency in order to satisfy this requirement.

STEP 6: BRA Final Approval. Final commitment letter to Buyer with copy to NHS authorizing NHS to disburse funds on behalf of the BRA. Closing documents to be sent to closing attorney for signature by Buyer at the closing. NHS will forward their Mortgage and Note to BRA so they can send everything together to closing attorney.

STEP 7: FTHP Disbursement. NHS to disburse the authorized FTHP loan amount to the participant. NHS will advance FTHP loan amount to buyer and will invoice the BRA for reimbursement.

STEP 8: File Completion. Lender is to send Closing Disclosure and Loan Commitment Letter to the BRA. Then this is done, the closing attorney and/or lender is to provide the BRA with all BRA/FTHP recorded HOME Mortgage and signed Note.

STEP 9: Enjoy your new home!

OTHER PROGRAM INFORMATION

Household Size

Income limits are adjusted by household size. To ensure that all prospective homebuyers who receive assistance are eligible, the BRA will need to determine the size of the applicants' household. As such, all persons in the household will be counted (including non-related individuals) with the following exceptions: live-in aides; and children of live-in aids.

Household Income

The BRA will also need to determine the annual income of all eligible household members to ensure eligibility of all prospective homebuyers who receive assistance. When determining the household annual income, the BRA must count the income of **all** household members over the age of 18 who work (including nonrelated individuals) with the following exceptions: foster children; foster adults.

The BRA uses the Part 5 Section 8 rules for calculating gross income, found at 24 CFR Part 5 Subpart F, Income Limits. These rules specify what forms of income should be included and what should be excluded. The BRA will re-examine the household's income if more than six months has elapsed since eligibility was first determined. The BRA utilizes the *Technical Guide for Determining Income and Allowances under the HOME Program* to ensure compliance with household size determination.

Household Assets – (\$30,000 cap) What assets may be included?

1. Cash held in savings accounts, checking accounts, safe deposit boxes, homes, etc. For Savings accounts use the current balance. For checking accounts, use the average 6-month Balance. Assets held in foreign countries are considered assets.
2. Cash value of revocable trusts available to the applicant.
3. Cash value of stocks, bonds, Treasury bills, certificates of deposit, mutual funds, and money market accounts.
4. Lump sum or one-time receipts, such as inheritances, capital gains, lottery winnings, victim's restitution, insurance settlements and other amounts not intended as periodic payments.

What assets are excluded?

1. Assets not effectively owned by the applicant. That is, when assets are held in an individual's name, but the assets and any income they earn accrue to the benefit of someone else who is not a member of the household, and that other person is responsible for income taxes incurred on income generated by the asset.
2. Assets not accessible to and that provide no income for the applicant.
3. Assets that are part of an active business.
4. Retirement accounts such as 401(k), 403(b), 457 and IRA accounts.
5. Government approved college savings plan.

Homebuyers should have some residual savings left over after closing especially on a very low-down payment mortgage to borrowers with high total debt ratios.
